1. System of Accounting:

- a) The Trust follows the cash system of accounting and recognizes income and expenditure on cash basis, except for income relating to Housing / Infrastructure and Micro Credit loans, which is accounted on accrual basis.
- b) Financial statements are based on historical cost. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money.

2. Fixed Assets and Depreciation:

- a) Fixed Assets, including assets purchased from Earmarked Grants, are stated at Cost of Acquisition, less Accumulated Depreciation. The assets purchased from Earmarked Grants are shown as utilisation of the Earmarked Grants and transferred to a separate Fixed Assets Grant Fund. However, assets purchased at Centers allocated to the Trust funds, are accounted as revenue expenditure.
- b) Depreciation on Fixed Assets is provided at the rates prescribed under the Income Tax Rules, 1962, as per the Written Down Value (WDV) Method. Depreciation is provided on the WDV of the block of assets, outstanding at the end of the year which comprises, the Opening WDV as increased by cost of assets acquired, and reduced by the sale proceeds of assets sold, during the year. However, in case assets acquired are put to use for less than 6 months during the year, depreciation is provided on such additions, at fifty percent of the applicable rate. Depreciation on Fixed Assets purchased from Earmarked Grants is withdrawn from the Fixed Assets Grant Fund and credited to Income and Expenditure Account.

3. Investments:

Long Term Investments and Current Investments are stated at cost of acquisition.

ost of acquisition.

4. Grants:

5. Revolving Funds (Restricted Funds):

Certain Donors have granted Funds to the organization with a mandate to use the funds for housing, infrastructure and micro credit financing activities, on a revolving basis. The interest income earned on such funds utilised, and income that is transferred to the Revolving Fund, is accumulated as a part of such funds only and no cognizance is taken of such Income in the Income and Expenditure Account.

6. Designated Funds:

- a) The surplus funds after execution of specific Project Funds given by Donors have been treated as Designated funds by the organisation. These funds are used for the activities of the organisation and Interest earned on such funds is accumulated and added to the funds.
